FR

SURFACES est la nouvelle collection de panneaux acoustiques dessinée par Alain Berteau et Julien Renault. Ces solutions suspendues, murales ou autonomes transforment chaque espace de travail, petit ou grand, en un magnifique paysage graphique et coloré. Cet alphabet de formes se caractérise par la simplification d'éléments familiers et identifiables. Les différents formats qui composent la collection s'assemblent rapidement et s'adaptent à tous les supports.

DE

SURFACES, die neue Produktreihe entworfen durch Alain Berteau und Julien Renault, stellt sich aus Wandpaneele, vertikal hängenden Deckpaneele und Stellwände zusammen. Sie ermöglichen die Verwandlung jedes Arbeitraumes, ob klein oder groß, in eine schöne, bunte und grafische Landschaft. Das Alphabet der Formen besteht aus vertrauten und einfachen Elementen. Die unterschiedlichen Formen, aus der sich die Produktreihe zusammensetzt, sind flexibel und einfach montierbar. Sie können an allen Decken- und Wandoberflächen befestigt werden.

NL

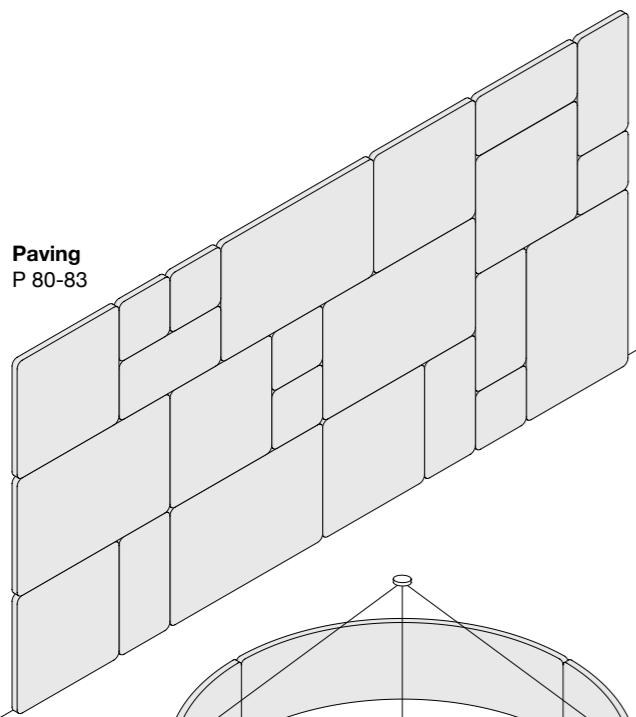

SURFACES is een nieuwe collectie akoestische panelen naar een ontwerp van Alain Berteau en Julien Renault. Hangend aan de muren, of vrijstaand, kunnen ze om het even welke ruimte, groot of klein, in een kleurrijk grafisch landschap veranderen. SURFACES biedt een vormtaal met eenvoudig te herkennen elementen, waar men zich snel thuisvoelt. De verschillende formaten laten zich makkelijk combineren, op om het even welke ondergrond.

EN

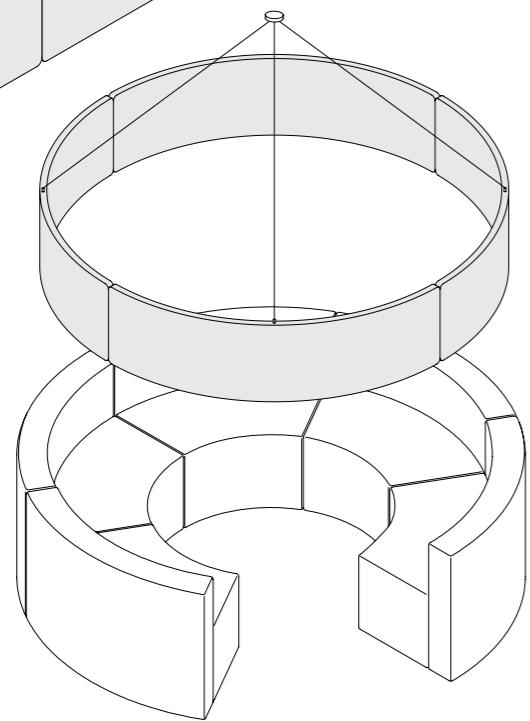

SURFACES is the new acoustic panel collection designed by Alain Berteau and Julien Renault. It is an alphabet of simple, versatile and familiar shapes, easy to combine and to install on any support. Hanging, wall-mounted or freestanding, they turn any room into a colorful and meaningful landscape, offering a silent and very comfortable home feeling.
